:: Facilities Created During the Last Quarter ::

During the last quarter, Apex College, Makrana has undertaken several initiatives to strengthen its academic infrastructure and enhance the learning environment. The following facilities have been created and upgraded as part of the continuous institutional development process:

1. Academic Infrastructure:

- o Additional classrooms equipped with modern teaching aids such as smart boards and audio-visual systems have been established.
- o Up gradation of laboratory facilities in the Science departments with new equipment and improved seating capacity.
- o The Psychology Laboratory was renovated to create a more efficient and conducive learning environment.

2. Library Enhancement:

- o Procurement of new books, journals, and reference materials relevant to the updated curriculum.
- o Strengthen of digital library section with access to e-resources and online databases.

3. ICT and Digital Facilities:

- o Installation of high-speed internet connectivity across the campus.
- o Development of a student information and grievance redressal dashboard.
- o Up gradation of computer systems and introduction of cloud-based attendance and record systems.

4. Student Support and Welfare Facilities:

- o Renovation of the student common room and counseling area.
- o Strengthening of health and hygiene facilities, including clean drinking water and sanitary units.

5. Administrative and Physical Infrastructure:

- o Renovation of staff rooms and administrative offices for better efficiency and record management.
- o Landscaping and beautification of the campus surroundings.

These initiatives reflect the college's commitment to providing a conducive academic atmosphere and supporting the holistic development of students and faculty members.

This note is issued with the approval of the undersigned.
